COMMANDER'S MESSAGE

Cdr Philip Osborne, JN

In February, District 29 held the Winter Council at Ohio Northern University, Ada, Ohio and there were several good meetings held for all the squadron bridge officers. The District schedule was discussed with all squadrons participating to avoid any scheduling conflicts with Christmas Parties and Changes of Watch within the District.

We also discussed squadron rendezvous so members from each squadron may plan on participating in any of the cruises if they so desire. There will be several different rendezvous throughout District 29 this summer, and they will be printed in the District roster which will be handed out at the Spring Conference.

It appears the boating season is just around the corner, and we will be launching our boats very

soon. I anticipate a great boating season. CSPA has several good rendezvous scheduled. Our first cruise will be Ron Lavelly's trip from Maysville, Kentucky to Cincinnati, Ohio. Some will go to Maysville on Thursday night and everyone will launch on Friday. If you would like to

join in, but do not have a boat, please call Ron and we will get you a ride. If some would rather drive, you can meet the gang at the hotel in Cincinnati. This promises to be a very exciting trip!

EXECUTIVE OFFICER

Lt/C Edward Mack, SN

It's beginning to feel like spring, which means it's time to think about getting your boats out. And when you do go out and meet people, don't forget to promote our organization. At most every Executive Committee meeting we discuss how to further promote CSPA. Let one of the Bridge or Members-at-Large know if you have any ideas.

On the subject of promoting, try inviting family and friends to CSPA dinner meetings. Your guests will have an opportunity to get to know the squadron and will certainly enjoy the food and fun.

As a reminder for boating season, "they" are always on the lookout for the next Bungle Jug recipient! Just remember, if no one saw you do it, DO NOT tell anyone! (or blame it on someone else)

Stay warm, stay safe.

Come for the Education . . . Stay for the FriendsSM

Mom always told me to play nice. My high school counselor told me to 'try to get along with people.' My Chief in the Navy said that I 'had a problem with authority.' Based on that history it should come as no surprise that adjusting to 'committee life' and consensus-building is a challenge for me. That said, here's the plan of action for April and all future meetings.

April is a full-blown, backstage tour of the Schottenstein Arena. We will dive into the locker rooms, premium suites, hall of fame (shame after this season?) and down to the main arena. Got a

jock or a high schooler in your family? Bring them along!

Afterwards we will adjourn to the Buckeye Hall of Fame Grill, 900 Goodale Blvd, Columbus 43212. You'll be able to order off the menu and enjoy all the potables of the bar.

The cost for this evening? \$2.00 per person! I can hear you gasping with wonder at this announcement. Phil Osborne has instructed me to plan more fun, economical events. I said 'Aye Aye, Sir.' Phil and Ruth have planned a barn-burner of a meeting for May so keep your calendar open...

Until I learn the reservation system, please send your YES to me at zeke0711@yahoo.com.

HELLO AND GOOD-BYE - A COASTIE STORY:

Have you met Coastie? Coastie is a large, mechanical, talking boat that can be used in parades, at boat shows, taken to school programs, etc. to promote boating safety. Columbus Sail and Power Squadron was fortunate to own one of the original Coasties and "he" has made appearances at countless venues across central Ohio for several years, entertaining and educating children and adults alike. Unfortunately, the squadron's wonderful mechanical geniuses were no longer able to keep Coastie afloat and he had to be put in dry dock this year.

That was the sad news! The good news is that through a combination of grant money from the Ohio Department of Natural Resources (which was originally meant for his repair) and CSPS funds, a brand new Coastie is residing at headquarters. Special thanks go to Dave Canale whose efforts with ODNR allowed this to happen.

That was the good news! Even better news is that our old Coastie may still have a little life left in him. He has gone to North Carolina where the gentleman who started the nationwide Coastie program plans to refurbish his outside appearance with the eventual goal of placing him in a Coast Guard museum. CSPS will receive recognition for the donation and be informed when and where Coastie goes on display. Bon voyage, old friend!

I Found the Fountain of Youth!

By Dick Sorensen, N

Ponce de Leon was a Spanish fighter and treasure hunter. He sailed with Christopher Columbus on his second voyage, hung around, and conquered the Dominican Republic, Puerto Rico and Cuba. He discovered and claimed all of Florida for Spain! Not bad for a fighter, brawler and gold digging adventurer. But he failed in his search for the Fountain of Youth.

Ponce searched and searched. Travelled thru raging storms, battled indigenous people, ate terrible food and was eaten alive by mosquitoes the size of an F-16 fighter jet. Yet for all his actions he never found the Fountain of Youth. But, I did. I found it right in my living room. On my Sony!

Yup, that's right. I found the Fountain of Youth in the comfort of my family room. If you promise to keep it a secret, I'll share my discovery with you. Promise? OK, I trust you. Here's my secret. Grab your TV remote as I regale you with my voyage of discovery.

I was unable to sleep so I turned on the TV. It was early morning and, holy smoke, there it was. The Fountain of Youth! Right there on Channel 66. I could get a facelift without surgery for only three easy payments of just \$19.95. With that beautiful, new, taunt face, I then turned the channel to find that my mature body, with it's love handles, could be made into an Arnold Schwarzenegger physique with a magical vibrating belt. That narrow waistline could be mine for only two easy payments of \$19.95. The new svelte, more handsome me turned the channel to find out I could become a 'tiger in the bedroom' with a generic little blue pill! And my partner would immediately notice the improvement! I could have this incredible personal enhancement for just four easy payments of \$19.95. Hell, I'd have paid \$199.95 for that!

Channel after channel, I couldn't control my finger. It had a mind of its own. It started flying through channels. It was like Christmas for Seniors. Happy feet, no more arthritis, thickening hair treatments, anti-aging creams and so much more. All for just \$19.95.

Eat your heart out, Ponce! I found the Fountain of Youth, at the touch of a button, for just \$19.95. Oh, you need to add for Shipping and Handling.

Common-Sense since he

was about six years ago.*

Congratulations to the 2017 America's Boating Course graduates and others who became new members of CSPS this month! We hope you will take advantage of all the opportunities the Squadron has to offer from meeting others who love boating to the entertaining dinner meetings to taking further courses to enhance your knowledge of boating. You might even get a chance to share some interesting yarns with the experienced seafarers in our midst! Looking forward to meeting you!!!
