## COMMANDER'S MESSAGE

Cdr Richard Sorensen, SN

Ahoy all! I would like to officially welcome all the other District 29 Squadron Leadership teams to Columbus. These northwestern Ohio boating education leaders will be assembling at the Polaris Hilton for the District's fall conference on November 8th, 9th, and 10th. ABC of Central Ohio is the host.

Under the inspired leadership of Sherri Haring and her committee, a wonderful weekend with a Veterans theme has been planned. Welcoming cocktail party on Friday with all of us dressed in our military garb. A daylong series of seminars and District business on Saturday capped off with a banquet on Saturday evening. A Squadron Hospitality suite is planned. Sherri, Ruth Kubinski, Ruth Wilcox, Sue Goelz, Mary Rayburn and Mari Seaver have worked hard to handle our hosting responsibilities and it is now our turn to help staff this event. There is a Sign-up Genius coming to ask each of you to volunteer; jump in and grab an oar: Set-up, Registration, Décor, etc. Please roll-up your sleeves and give us a few hours.

On Squadron's business we have put together a preliminary 2020 Summer Cruise Schedule and we are returning to the Columbus Fishing Expo on February 7th, 8th, and 9th. John Seaver's Education team has put together a dynamic

roster of classes: Electrical Systems; Piloting is starting; Ralph Newman has quietly started Navigation; an Outboard Maintenance seminar is being developed. Wow! Talk about a healthy environment. The Club has taken on supporting the various rowing clubs around

Central Ohio with both equipment and training. Along with that support John Seaver has put together a maintenance class for the Club's fathers. Ralph Newman is once again taking his Navigation students and alumni back to Ohio State to expose the NROTC Midshipmen to the mysteries of celestial navigation. Whew!

Shipmates, we are doing great! Our membership is growing. Our primary mission of education is very robust. We have a great leadership team and we are bringing all of our Departments up to date. Please plan on joining us for the November Meeting, at least the banquet, at District 29! Your presence will make this special event even better.

## EXECUTIVE OFFICER

Lt/C Sherri Haring, S

This is my last plug for the District 29 Fall Conference. The time has finally arrived!

Our club has put a lot of time and effort into making this District conference a showcase for our boating club. We will not be having a November dinner event because... we know that all of us are very busy and want everyone to put their energy into coming and supporting the Conference.

I would like to highlight some of the festivities. Friday we are hosting the social event so come with your favorite military garb and support our Veterans. Saturday we will have educational classes, a great lunch, and we will be seeking delegates for the business meeting. After a great day of information, we will then have an evening

event where you will be able to meet and talk with our district officers and enjoy a great dinner with music and great company. Following that event, there will be two hospitality suites open for more social time with everyone.

You may have noticed that the event literature calls for member to wear their uniforms. Please be aware that if you do not have a uniform or simply choose not to wear yours, that this is voluntary. We want everyone to attending, whether they wear a uniform or not, to feel comfortable and have a great time!

Please come and support our local Club and District. It is also not too late to be part of this event. We still need help for some of the activities. Please contact me at [sherri\\_haring@hotmail.com](mailto:sherri_haring@hotmail.com) or 740-815-6868 if you are interested in finding out what opportunities are still available. We will be sending out a sign-up genius on which people may sign up to help as well.

Welcome back to this month's AO report. I want to say sorry to my loyal readers for missing last month's article for the *Galley Gossip*. My husband and I were trying to get in as much boating time as possible; which we thankfully did, and now we are coming to the realization that ours and your boating season is truly almost over. Sad but true!!

However, we do have a lot of exciting club events that we are working on. Next month is the Bigger than Life District 29 Fall Conference here in Columbus at the Hilton on Polaris Parkway. Come out and meet fellow boaters from other Squadrons in our District. The theme will be Honoring Our Veterans. Beside the educational seminars and classes, we will have a Meet and Greet on Friday night with appetizers and drinks. Saturday night will be the big reception with dinner and DJ music and maybe we can get out on the dance floor and shake our money makers. Please check the *Galley Gossip* for more information.

In December we will have our Holiday Party aka Christmas Party for you politically incorrect members. Only kidding!! This year we will hold our event at the Morgan House in Dublin, Ohio on Saturday the 7th. This is always a fun gathering so come out and share some eggnog with us.

If you were not with us for the October dinner meeting at Schmidt's, you missed a good one. As always, the food was fantastic, and we had 34

fellow members who ate it all up. The cream puffs were delicious as well. We gave out the Bungle Jug and River Rat Awards which are awards for having a boating mishap during a club rendezvous. This year yours truly won the Bungle Jug and my husband was quick to point

out I was not on our boat when I won the Bungle Jug. He prides himself on his boating abilities.

The awards are fun reminders of mishaps we wish we did not make. At the time it's not funny but when you relive it through other members' eyes it does put a smile on your face. Now my name will be forever inscribed on that jug. Come to a meeting or event at our clubhouse to see it. I should take it to different bars and restaurants just like the Stanley Cup and hold it over my head and let all the members kiss it in my honor. Let me think on that one for a while. ☺

Well, it's time to go out and clean my boat for the year's end. We are doing Alum Creek next weekend for our final time this year. Let's have a moment of silence for all the die-hard boaters who are winterizing their babies for a long, long winter. Remember be good or be good at it. ☺☺

## **BYLAW CHANGES/ UPDATES -**

PLEASE NOTE: A committee led by P/C Harold Beidel, SN, has revised and updated the club bylaws. The revised bylaws must be approved by the membership. They will be voted on at the December 7th Holiday Party at the Morgan House in Dublin. A copy of the bylaws is available for your review on the Members Only section of the website.

## **Member Anniversaries**

Do you remember what year you became a member of the Columbus Sail and Power Squadron, now known as America's Boating Club of Central Ohio? In honor of the upcoming 80th anniversary of our group, let's take a look back in time and see when each of us joined this motley crew of boating enthusiasts. Below please find the names and years of those who have November anniversaries. A big thanks to all of you for your dedication and participation over the years! More to come...

Fall Classes are off and running – if you have requests, let me know. October will take some JN/N students back to assist with a basic navigation class for OSU ROTC. Reach out if you have interest in helping!

**Piloting – Advanced Boat Handling** – kicked off on October 7th:

As the next step from ABC & Boat Handling, you can learn the essentials of safe coastal and inland navigation using basic GPS in conjunction with charts and other marine data including traditional dead reckoning techniques for planning/laying out safe routes, as well as ensuring that you are on-course while underway.

**Celestial Navigation** (Formerly Navigation – prerequisites include Boat Handling, Marine Navigation, Advanced Marine Navigation and Offshore Navigation)

Learn navigation using all the celestial bodies! Prerequisites are ABC/NASBLA Course, Marine Navigation, Advanced Marine Navigation and Offshore Navigation.

**Marine Electrical Systems** – Kicked off on September 12th:

Does your boat have a battery? Radio? Stereo?

Lights? Radar? GPS or chart plotter? Need to charge your phone or see your dash at night? None of that works unless you have solid electrical systems. This course will cover the basics to enable you to tackle or better equip you to guide the install/repair of your boat's electrical systems.

**Marine Radar** is a new course, developed by members of our Canadian Power Squadron partners. We plan to do a self-study program with a handful of us planning to attend. Let me know if you're interested in attending these sessions (targeted at 5 weeks).

**Sailing** – Oh, the canvas can do miracles, just you wait and see...I have heard a bit of a groundswell for Sailing Class this winter/spring – please reach out to me if you have interest!

Take a look at all the classes and seminars available at - <https://americasboatingclub.org/education-matters> - In-person Education, Classes & Seminars – or just reach out to me.

## MERIT MARKS

Did you volunteer some time to help with America's Boating Club of Central Ohio activities this year? Help at a boat show? Assist with road-clean-up? Teach a class? Help with ABC? Etc, etc... Then you deserve a Merit Mark!!! Please send your name with a list of the activities with which you assisted and the time you spent on each to P/C Bob Van Der Wissel at [rvanderw@columbus.rr.com](mailto:rvanderw@columbus.rr.com). Deadline for submission is November 1st. Don't be too modest; you deserve some credit for your hard work! Get your list to Bob soon before you forget!

# It's Ugly. I don't like it. But I may be wrong.

By Dick Sorensen, SN

There are some ideas I stick with even though I'm vaguely aware that I may be wrong.

I live in Upper Arlington. Last year Upper Arlington completed the second phase of The McCoy Road Street lighting project. I drive home on McCoy. I dislike the result. I think it is ugly. It was unbalanced. In my opinion. Let me explain.

McCoy Road between Kenny and Reed tracks across the northern boundary of The Ohio State University's Scarlett and Gray Golf Course. A beautiful bucolic setting. Elegant homes on large lots look across McCoy to Jack Nicholas's manicured playground. These very nice homes are graced with mature trees and feature beautifully manicured lawns. At night, the street lighting produces an effect which is dappled thru the heavily leaved overhanging branches. In winter they present a shadowy outline of a Central Park scene.

Fig. 1 The original light poles

Fig. 2 New poles from Kenney to Greenview

On to the specifics of my beef. Stay with me. This section of McCoy is 9/10's of a mile long. Its dividing line, Greensview Drive, is 4/10's of a mile from Kenny and 5/10's of a mile from Reed, roughly equal. The new street lights were installed between Kenny Road and Greensview Drive. This was to finish the existing lighting to Reed. Here's my issue.

From Kenny to Greensview, a distance of 4/10's of a mile, the contractor installed 28 new light poles. 28! Averaging 73 feet apart. This project complements the 12 light poles in existence from Greensview to Reed! Those poles average 190 feet between them! Can you imagine what my fertile mind is doing with this visual abomination. As I drive home, from Kenny towards Reed, my eyes are treated to a streetscape that looks like an airport landing strip. Then at Greensview the street transforms into a quiet, relaxed, residential scene.

Why the overkill? Half the street has 12 poles and the other half has 28! Did the UA utility department have an abundance of light poles? "Let's put them someplace, anyplace." Was the newest light pole salesman a much better one than the earlier guy? Did the contractor have a broken tape measure? The end result of this project is just ugly!

I admit that I have a lot of design/architectural prejudices. I love balance, especially as regards a project funded by my tax dollars. I don't like ugly. Dublin's Bridge Park development, facing Riverside Drive, reminds me of the cold war Soviet-bloc style of architecture. Yet in the same development the new serpentine pedestrian Scioto bridge offers a teasing example of great architecture/engineering. I've got a lot of design prejudices. It's taken me years to get over Ford's Edsel. And the AMC Gremlin. Or why the High Street Cap Tunnel has thousands of light fixtures but never more than a few random ones working?

I'm not going to even attempt to figure out why our public servants do what they do. I'm sure there are logical reasons why they made half of McCoy Road bright enough to be seen from space. I just don't like it.

I've got to go now and find my sunglasses so I can drive home!

*Dick Sorensen has been cranky from an early age. He knows he has been wrong about a lot of issues but in his heart doesn't think so.*

*1975 CSPS hosted a fire safety demonstration on the Scioto. Burned up a boat. In conjunction with Columbus Fire and Police. Good turnout.*

**America's Boating Club of Central Ohio -  
Columbus Sail and Power Squadron  
Minutes of the Executive Committee  
24 September 2019**

(These minutes will be approved at the October Executive Committee meeting.)

Cdr Dick Sorensen, SN, called the meeting to order at 19:00 at the squadron headquarters, 8492 Cotter Street, Lewis Center, OH. The invocation was led by 1st/Lt Mary Rayburn, P and the Pledge of Allegiance was led by XO Lt/C Sherri Haring, S. Roll call was taken by sight and the Secretary, Lt/C Ron Hupman, S, found that a quorum was present. The following Executive Committee members were present: Commander Dick Sorensen, SN; Executive Officer Lt/C Sherri Haring, S; Administrative Officer Lt/C Ruth Kubinski, P; Education Officer P/C John Seaver, SN; Asst. Education Officer 1st/Lt Paul King, AP; Secretary Lt/C Ron Hupman, S; Asst. Secretary 1st/Lt Tom Doyle, P; P/R/C Harold Beidel, SN; Lt Sue Goelz, S; Lt Robert Goelz, S; Lt Michael T. Hughes, AP; P/C Larry Lowe SN-CN; P/C Phil Osborne, JN-IN; Lt Beth Perchuk, S; Lt Ruth Wilcox, S. Guests present: P/C David Canale, P; Ralph Newman, SN; ANEO Bob Rayburn, SN-IN; 1st/Lt Mary Rayburn, P; Mari Seaver, S. The minutes of the August meeting were approved.

**Commander Dick Sorensen, SN**

Commander Sorensen deferred to P/C David Canale for a report on Treasurer Ed Mack's status. P/C Mack has received an unanticipated job offer out of state and has moved very quickly. He has offered to continue remotely as treasurer until a new treasurer is elected in January. Phil Osborne offered to be treasurer if Ed were to resign but that is not the case. Ed has control of the bank and investment accounts thus there is concern that there is no one locally with that authority. There was discussion on whether Ed can be removed as treasurer. There was a motion by Phil Osborne that Ed Mack continue as treasurer until a new treasurer is elected; 2nd Ruth Kubinski; motion approved.

Three bids for duct cleaning at HQ were presented and discussed. Sherri Haring motioned to accept the Stanley Steamer bid plus an allowance for the fee for the property manager to open the premises and supervise; 2nd Ruth Kubinski; approved.

**Executive Officer Lt/C  
Sherri Haring, S**

Reported on plans for the November 8-10 D29 Fall Conference. Arrangements are progressing well. Prices have been established. Sign-up Genius will be available soon for volunteers.

**Education Officer P/C John Seaver, SN  
Asst E/O Lt Paul King, AP**

Electrical Systems class started September 12th with 6 students. Paul King reported that rope is needed for the ABC classes.

**Administrative Officer Lt/C Ruth Kubinski, P**

The October 3rd dinner meeting is at Schmidt's with Bungle Jug and River Rat awards. In November the D29 banquet at the Polaris Hilton replaces the regular dinner meeting. December is the Christmas Party at the Morgan House. January is the election and February will be Change of Watch (Locations TBA).

**Secretary Lt/C Ron Hupman, S:  
Asst. Sec. – Lt Tom Doyle, P**

All officers are asked to prepare written reports and email reports to [hupman1@att.net](mailto:hupman1@att.net).

**Boating Activities:** Cdr Dick Sorensen, SN: No report

**Vessel Safety Check:** Lt John Pruitt, AP: Absent

### **Old Business:**

The recent highway cleanup found a lot of debris. A credit card is needed for handling conference expenses. Ed Mack cancelled the one he had.

### **New Business:**

John Seaver proposes adopting Central Ohio rowing clubs. They need proper safety equipment and instruction on outboard maintenance, etc. A cost sheet for equipping and maintaining safety boxes was distributed by John Seaver. A motion to proceed based on these cost estimates was made by Phil Osborne; 2nd Beth Perchuk; passed. Cdr Sorensen suggests that all safety boat operators should be required to take the ABC class.

David Canale asked for a decision on an accounting firm to handle bookkeeping duties in coordination with the treasurer. After discussion, Phil Osborne moved to accept the proposal from Harquin; 2nd Ruth Kubinski; passed.

Cdr Sorensen believes the web site needs work and that we need a Facebook page. He will look for a design company.

*1975 Blind School outing. An event that we did for many years.*

# Open Letter to Current Active and Inactive Membership

As Commander, Sherri Haring and I had to sit thru last year's Winter District meeting where the pros and cons of hosting the next conference in Columbus were discussed. Many of the other Squadrons expressed 'concern' about traveling to our town for a variety of very feeble excuses. One of the main complaints was the distance to C-bus and the attendant costs. Neither Sherri Haring or I replied except to advise the meeting that we would host them and give them a weekend that they'd remember. We left Fort Wayne with a desire to show the other Squadrons what Columbus is made of .... In reality, to flex our membership muscle.

That brings me to this request. Could you clear your calendar and join us for the Saturday evening banquet? Dinner and bar with entertainment but more important to fill the hall with you; the current, former and future of Columbus. The banquet is being held at the Polaris Hilton, November 9th and we need you. The current leadership team has worked overtime to put on this weekend and your presence on Saturday night would put the proverbial 'cherry on top of this sundae'! What say, grab your partner and spend a few hours with your shipmates. Let's show them that Columbus is alive, well, and still the best Squadron in the District.

Thank you,  
Your Bridge  
Dick Sorensen, Sherri Haring and Ruthie Kubinski
